Part III – Project Information

1. Will your project serve the Chosen Valley community? Note: the Chosen Valley community is defined as the geographic boundaries that encompass the Chatfield School District. Grant applications are only considered for those projects that will serve the Chosen Valley community.
2. Briefly describe your project.
3. Grants are provided for projects that are charitable, religious, educational, scientific, literary, testing for public safety, fostering national or international amateur sports competition, and preventing cruelty to children or animals. The term “charitable” is used in its generally accepted legal sense and includes relief of the poor, the distressed, or the underprivileged; advancement of religion; advancement of education or science; erecting or maintaining public buildings, monuments, or works; lessening the burdens of government; lessening neighborhood tensions; eliminating prejudice and discrimination; defending human and civil rights secured by law; and combating community deterioration and juvenile delinquency. Please describe in detail how your project fits these criteria.
4. Describe the demographic you wish to serve with your project and provide an estimate as to the number of individuals that could potentially benefit from your project.
5. Please state when your project will occur. Note: Grants awarded must be used within one year.

6. Do you intend to raise funds with your project? If yes, describe how funds will be raised and how you intend to use the funds raised from the project.

7. List and describe other sources of funding that you have sought out and or received for your project. If you have not sought out other funding, please state whether or not you intend to seek out the same.

8. If you were to receive partial funding for your request, would you be able to carry out your project? If yes, please describe how you would do so (i.e. altering the specifics of your project, other sources of funding, etc.).

9. What other organizations/community leaders have you involved in the planning of the project? If you have involved others, describe what their involvement would be in carrying out the project?
